The word **abitare** means **to live** or **dwelt in** and that's exactly why the **Abitare Collection** was meant to dwell in your home. This collection does a great job of demonstrating the natural variations of color that are found in nature. Great for **interior** and **exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
