

BIANCO

The **Block** series is a **through body rectified porcelain paver**. The Block porcelain pavers are produced using **raw materials** that **permeate** the **entire paver**, assimilating color and pattern features seen on the surface and all the way through the entire paver. Great for **exterior** and **interior applications**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.

Available in: 24"x24"x3/4" (20mm-thickness)
