

BOUQUET GRAY

glazed porcelain tile 9¼"x9¼"

Made In Spain

GRAY FIELD TILE

This collection embraces **old architectural features** to enhance **contemporary spaces**.

Based on the **hydraulic style** developed in southern France in the mid 19th century, this tile features fun and fanciful patterns.

Great for **interior** and **exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**.

Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.

Available in: 9¼"x 9¼" (Can be used as a field tile or as a coordinating tile for Bouquet series decorative patterns)
