

TRAVERTINO ROMANO

The **Travertino Romano Collection** offers a **superior travertine look** in warm cream colors with some subtle veining. Great for **interior** and **exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.

Available in: 23 1/4" x 46 1/2"
