

LIMS

rectified porcelain tiles 30"x30"

Made In Italy

BEIGE

IVORY

The **LIMS Collection** is inspired by **authentic limestone features**, fashioned with rich textures to bring out a realistic stone effect. This impressive, large format tile offers a clean **consistent look** that can be used in a modern or more traditional setting. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.

AVAILABLE IN 30"x30" TILE, SPECIAL ORDER SIZE 48"x48" TILE & 24"x48"x¾" (2CM-THICKNESS) PAVER
