GREY BLEND

An outstanding line of domestically designed and manufactured porcelain and ceramic series, **made in the U.S.A.**

Inspired by a **famous limestone** found in Britain, the **LIVERPOOL Collection** produces a quality selection of **5 luxurious tones in 12"x24"** format, with **3 deluxe options** in our **hexagon mosaic format**. The **beautiful hexagon mosaic** selections have a **pressed ceramic body**, making it very suitable for **shower floors and walls**. This collection brings a calming influence to any space, whether **residential** or **commercial**. Great for **interior** and **exterior applications**. **Porcelain tiles** can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.

AVAILABLE IN 12"x24" TILE & HEXAGON MOSAICS (ON 12"x12" MESH)
