An impressive selection of **top-of-the-line porcelain tile** and **mosaics**, designed and manufactured in the U.S.A.

The **CONKRETO Collection** is a beautiful set of **monochromatic tones**, capturing the form of **curing concrete** in **four bold colors**.

This series is sure to complement any **residential** or **commercial** space, providing options in **12"x24" tile** and in a **3" triangle mosaic tile**.

Great for **interior** and **exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**.

Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.

AVAILABLE IN 12"x24" TILE & 3" TRIANGLE MOSAICS (ON 12"x12" MESH)
