The **STONE Collection** is a sophisticated stone-look series inspired by the **limestone** of the **French Pyrenees**, displaying the **intricate details** found in limestone tile. This series will bring your next project to a new level, with its superior performance in **durability** and **aesthetics**.

Great for **interior** and **exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**.

Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.

AVAILABLE IN 24"x48" TILE, 2"x2" & 12"x24" BRICK MOSAICS ON MESH & 24"x48"x3/4" (2CM-THICKNESS) PAVER
