FOREST COLLECTION

The SPC **PLUS** Forest Collection boasts a large 9"x 60" format with eight enticing colors to choose from. Coated with a 22 mil layer, a 1.5mm IXPE pad layer, and an overall 6.5mm thickness, this series is suitable for high traffic areas, whether commercial or residential, and is built to have long-lasting beauty with maximum sound absorption.

Excellent resistance to abrasion, chipping, cracking, and permanent indentations for heavy duty performance requirements.
