LIMS Ivory 48"x 48"

The **LIMS Collection** is inspired by **authentic limestone features**, fashioned with rich textures to bring out a realistic stone effect. This impressive, large format tile offers a clean **consistent look** that can be used in a modern or more traditional setting. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
