MARVEL SHINE Calacatta Delicata 24"x 48"

The **MARVEL SHINE Collection** is an ensemble of **marble-like stone**, an inspiration of the famous Italian monuments, which is reproduced in realistic detail. The selection of four fine white marble colors will enrich any living space with their **naturalistic veining** spreading throughout each piece. Great for **interior and exterior applications**. Can be used for **floors, walls, counter-tops** and many **other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
