MATERIA Gris 12"x 24"

The **MATERIA Collection**, coming from the Spanish word "matter", is a tangible expression of **rich stone-like textures** that elevates the modern living space. Choose from two distinctive colors that can make a lasting impression for your home. Great for **interior and exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
