JUPITER Taupe 12"x 24"

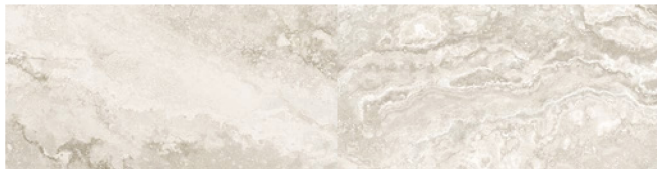

**JUPITER** is the largest planet in our solar system and it is not only known for its great red spot, but for the amazing color given off by the distinctive bands around the planet. The **Jupiter Collection** is reminiscent of this beautiful planet offering 3 stunning **marble looks** with **stunning veining and movement**. Great for **interior** and **exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
