LADRILLO Avila 3"x 11"

The **LADRILLO** and **MURALLA Collections** give a **modern industrial feel**, ideal for individuals looking to warm their home with **intricate details** that function as bricks that are typically seen in **New York loft homes**. Great for **interior and exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
