STONE Tarmac 48"x 48"

The **STONE Collection** is a sophisticated stone-look series inspired by the **limestone** of the **French Pyrenees**, displaying the **intricate details** found in limestone tile. This series will bring your next project to a new level, with its superior performance in **durability** and **aesthetics**. Great for **interior** and **exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
