BLU COUNTRY Creek 8"x 48"

The **BLU COUNTRY Series** has a **true wood appearance**. The pressing of the material creates a **non-repetitive look** that is appealing to consumers who are interested in natural material but want the durability of porcelain. Great for **interior and exterior applications**. Can be used for **floors, walls, counter-tops and many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
