The **BOOST Collection** offers a clean **limestone** or **"concrete"** look, which would be ideal for a clean modern space. These impressive large format **24"x 48"** and **48"x 48"** tiles will brighten up any room, complemented with a **fantastic mosaic option** in **2"x 2"** mosaic format. Great for **interior** and **exterior applications**. Can be used for **floors, walls, counter-tops** and **many other surfaces**. Impervious porcelain is resistant to stains, scratches, chemicals, extreme temperatures and UV exposure.
