

Where surface meets passion!

SINCE 1996

# NEW CERIDWEN MARBLE PAVER

CERIDWEN MARBLE is a stunning light beige marble with a rich history of use in cities, temples, residences, and statues since ancient times. Now, you can bring this timeless elegance into your own projects. As the newest addition to QDI Surfaces' extensive marble collection, Ceridwen Marble offers a chance to be part of a legacy in architecture and design. Claim your share today and add a piece of history to your space. Material is from Turkey.
